Subject: Municipal Solid Waste (MSW) - Parker County  
MSW No.: 2356  
Proposed Brazos Transfer Station  
Type V Permit Application

Mr. Vickery:

In November, I sent the chief clerk of TCEQ a letter requesting a public meeting to be held on the permit application by Republic Waste Services of Texas LTD. This public meeting was held at the Doss Heritage Center in Weatherford on February 12, 2009.

Aside from the many calls I have received in opposition to this municipal solid waste transfer station, my staff and I have recently heard from numerous constituents concerned about the decision to hold this meeting in Weatherford. Constituents have asked for an additional location that is closer to those most affected by the permit application in the Aledo and Willow Park area.

I would like to request a **second** public meeting for two important reasons. First, the location in Weatherford was inconvenient for many citizens living in East Parker County and secondly, there are a large number of residents and business owners in the area that were not aware of the first public meeting or unable to attend.

Please contact me if you have any questions or concerns. I greatly appreciate your willingness to work with me on this issue and accommodate the many concerns of my constituents in Parker County.

Sincerely,  
  
Phil King
